## Value Features

- Very low initial cost for consumers
- Best value
- Quality materials, workmanship and finish
- High quality ceramic heaters
- Solid wood construction; not veneer on particle board
- Digital control panels; inside and out
- Tempered glass window
- Interior lighting
- Bench seating
- Five year warranty

## Ease & Convenience Features

- Just plug into a normal 110v wall receptacle; no electrical or plumbing required
- Comes ready-to-assemble; pre-constructed sides, base and top just snap together;

- assembly takes approximately 20 minutes
- Portable; disassembles as easily as it assembles. Take it with you if you move
  - Warms up in 10 minutes
  - Very comfortable operating temperature of 110°F to 125°F, not the 160°F to 180°F of traditional steam saunas
  - Very low operating cost; uses the same amount of energy as your toaster. Only adds \$3 to \$5 per month to your electric bill
